8. The manner of dancing will be appropriate for a school function. Sexually explicit dancing such as freaking, grinding, or any other type of dancing which could be construed as vulgar or provocative is prohibited. This includes: dancing styles that involve intimate touching of the breasts, buttocks, or genitals, or that simulate sexual activity. All dancers must remain upright—no sexual squatting or sexual bending is allowed, i.e., no hands on knees and no hands on the dance floor with your buttocks facing or touching your dance partner.

Consequences: Students violating the above guideline will include removal from the Dance, an immediate phone call to the student's parent with the requirement that the student's parent will pick up their student immediately.
